EDUCATION

FRANCIS XAVIER ENGINEERING COLLEGE

Bachelor of Engineering

Tirunelveli, TN

Present

ST. XAVIER'S HIGHER SECONDARY SCHOOL

State Board - XII

Tirunelveli, TN

2020

WORK EXPERIENCE

DIGISAILOR

Flutter Developer Intern

Tirunelveli, TN

Aug 2022

- Learned and build mobile application in Flutter framework with Firebase integration

PROJECTS

DOC SAVER APP

Jul 2023

- Developed application using Flutter that allows users to manage their documents.
- The app is connected to Firebase, which enables users to upload, view, and delete their documents safely and securely from the cloud.

WORKOUT GUIDE APP

May 2023

- Designed and built a mobile application using Flutter, catering to fitness enthusiasts seeking an all-in-one gym workout and BMI calculator tool.
- The app provides a wide variety of muscle-based exercises and utilizes Shared Preferences for local storage, allowing users to save their preferred workouts and access data offline.

REMINDER APP

Apr 2023

- Conceived and built a Flutter application that serves as a powerful reminder tool for users. App enables users to effortlessly create tasks with specific dates and times, and subsequently view and delete these tasks as needed.
- Application features a timely and user-friendly notification system, ensuring that users receive reminders as per their defined schedules.

VIDEO GALLERY APP

Mar 2023

- Created a Flutter video gallery application with Firebase Phone Number Authentication. Users can effortlessly record and store videos along with their location data.
- The app offers seamless video playback and a user-friendly search function for convenient access to their recordings.

ACTIVITIES

HACKATHON

- Participated in Kumari Startup Summit - conducted by CapeStart Software Private Ltd, Nagercoil.

PAPER PRESENTATION

- Won third prize in the Government College of Engineering, Salem.
- Won second prize in Ponjesly College of Engineering, Nagercoil.
- Participated in SCAD College of Engineering, Tirunelveli.
